PARK VIEW

Welcome to Park View, a 61 apartments residential development; located in the exclusive Puntacana Village, in the heart of Puntacana, and within walking distance of the Blue Mall, Supermercado Nacional, the Puntacana Airport, and the Puntacana Village. Here we have one of the most exciting residential projects in the area.

As defined by its name, the design of Park View that looks for the integration of the views to the 80,000 m2 (860,000 SF) central park of the West Village Puntacana, while at the same time the design, internally, integrates gardens and open spaces with many amenities creating an atmosphere of open resort. The open space concept of the building design takes into consideration the cross ventilation within the units and through the entire project, so that the residents can enjoy the climate and the tropical breeze of Punta Cana.

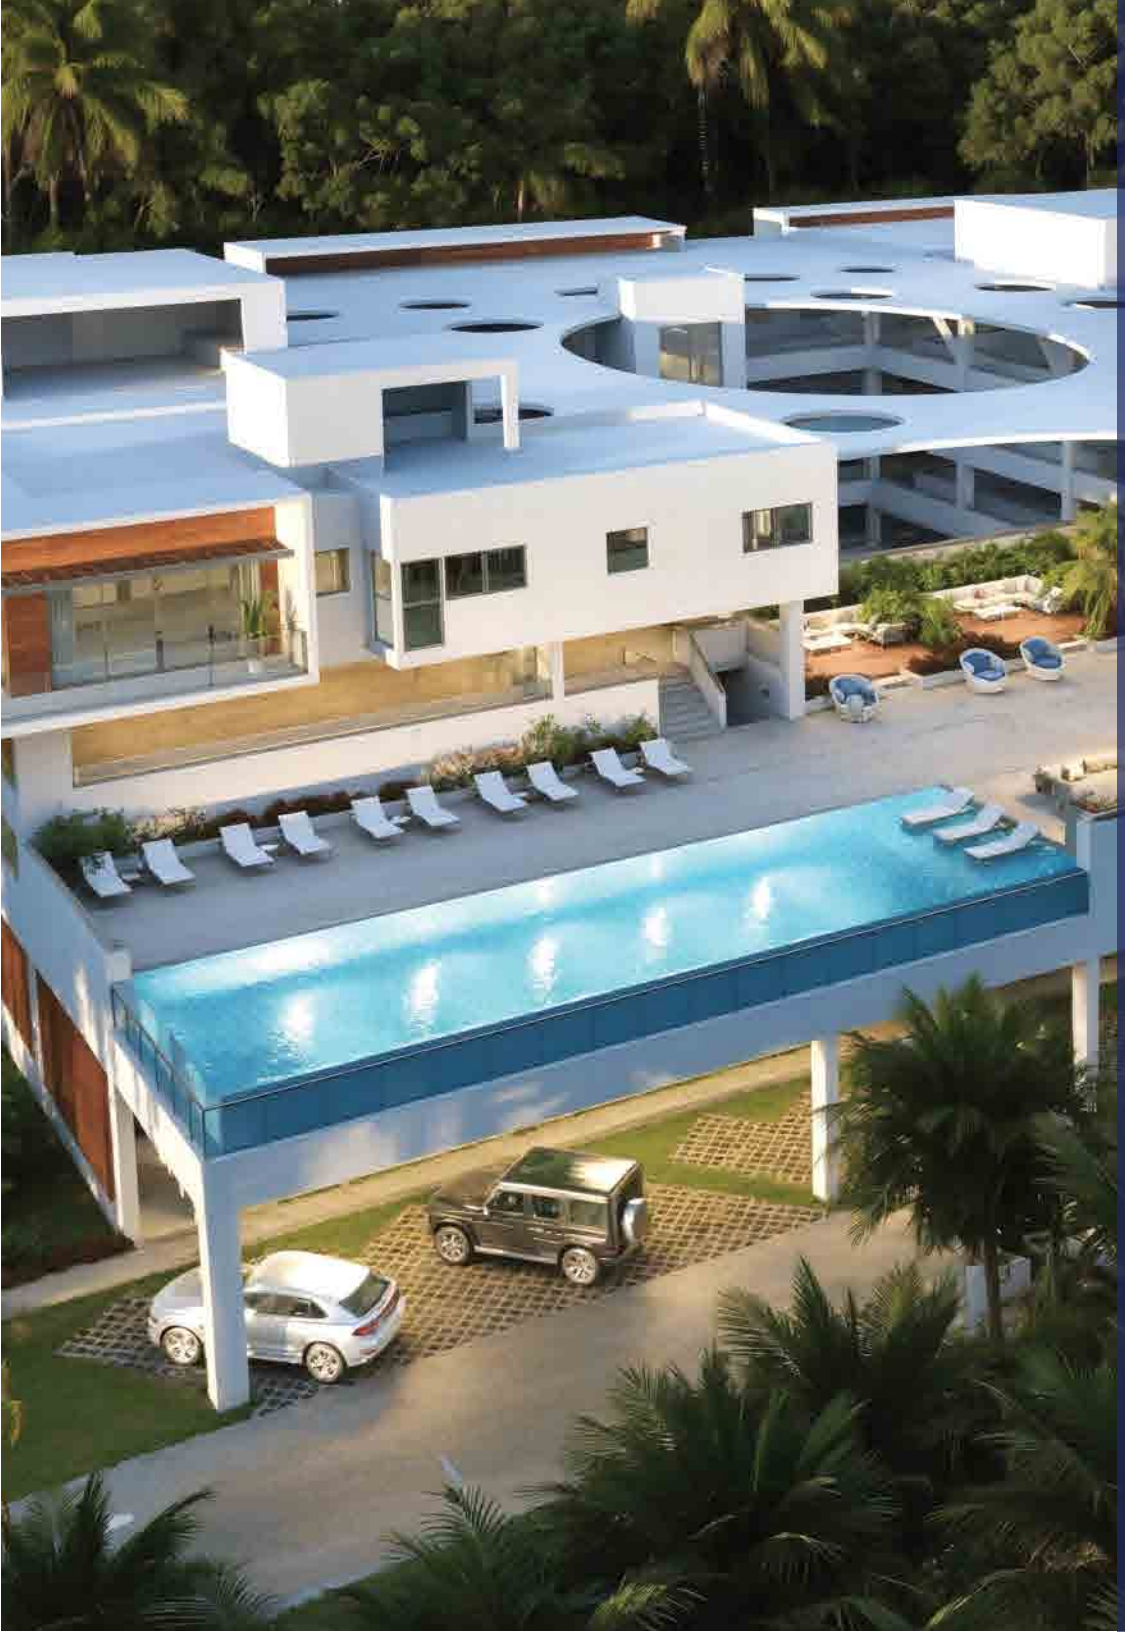

In addition, the project offers a variety of unit layouts from 1 to 3 bedrooms from 85 m2 to 185 m2 (5) stories open atrium with views to the pool deck and lush internal gardens, pool and pool dec positioned to guarantee sunlight all year long. All units at level 1 include a private front-yard.
